

During Book Week from the 20-25th August we have some fun learning and language opportunities available.

Our visiting presenters are:

R-3 Robyn Opie (author) www.robynopie.com

With more than 48 books published in less than 4 years, Robyn has established herself in the younger reader category. Her love and reading and writing, together with a wonderful quirky sense of humour, allows Robyn to easily captivate her young audience.

Robyn has designed her meet the author sessions with younger children to be highly interactive. She captivates their attention while encouraging them to discover their own sense of adventure and humour.

4-7 Andrew Thiele (Graphic Design artist) www.start.at/graphix

Andrew is passionate and energetic in the way he attacks the computer! He is a New Media and Multimedia Specialist who is proficient in Computer Animation and Computer Graphics. Andrew's sessions are exciting and visually stimulating. Students are shown many different techniques that they can adapt and apply to their own computer illustrations, including many tricks of the trade. He enthuses students to come out of the square box and have a go. Andrew has his own business and lectures at Adelaide Uni. and TAFE.

Please check out their websites!

Students in these year levels have the opportunity to review the work of the presenters BEFORE the school visit, and present to them a *response*. It's wonderful to see the presenters' reactions to the creative responses given. Some responses are in the form of art work, digital work, and language in the written form, whole class or individual responses.

The LRC staff will be decorating hats!

Displays by the classes are always a highlight. After being introduced to various Short Listed Titles by Mrs Abraham, the classes create a book week display for the library. The LRC always looks wonderful!

There will be a special display titled: "READiscover the Campus Staff". I hope that's a 'teaser' to get you to come in and have a look at the staff display in the LRC....hmmmmm

The *year 3 & 4 classes are visiting the Tea Tree Gully Library* to hear the author Andy Griffiths. Andy is a very popular author, for the ages of year 3-5 students. His book "The Cat on the Mat is Flat" has been short listed by the Children's Book Council this year. We have had this book in the LRC for awhile and it is a very popular book (along with his other titles.)

Classes will doing *buddy activities across Campus* with the Wynn Vale Classes; and also among our own school.

There will be **BOOK QUIZ QUESTION** daily based on previous winners and popular books.

A treasure hunt has been organised for the junior classes based on the short listed book: *Leaf Litter*.

Don't forget to read the weekend papers to find the announcement of the CBC Book Week **AWARD WINNERS**.

I look forward to book week and invite you to all pop up to the LRC at some stage to see the displays!
