

Report from the Chair of P&F 2018

This year seems to have flown by, but we have certainly been kept busy with various events including the New Families BBQ, Sports Day, Date Nights, Disco, Special Person's Afternoon, MOT Breakfasts, Parenting Workshops, and the upcoming Christmas Party which is sure to be a wonderful event.

There has been a lot of change at the School this year with the development of the breeze way and renovations to the Worship Centre and toilets and the new year 5/6 area. The P&F have been pleased to provide funding towards the new nature play area being finalised in 2019.

This year we have also invested in Hi Viz vests for volunteers, new readers for junior primary, sensory room aids and general classroom items.

I would like to thank Stephen for his support as Deputy Chair and for suggesting the Backpacks 4 SA Kids initiative which the children have really got behind this year. I'd also like to thank Claire and Angus for all their work as Secretary and Treasurer and for ensuring everything runs smoothly and we are kept on track.

I have decided to take a break from the P&F Committee next year due to our very busy work and family life, but wish the new Chair all the best for next year and all the great events and projects planned.

I would like to thank all of you for your support during my time as Chair and I can't thank you enough for the time you have spent volunteering at events this year. It is the volunteers at this School who build and support our community and make it the wonderful community that it is.

Aimee Iannone
