

Harmony Day

Each cluster has been busy preparing for Harmony Day – a day in which we celebrate the many cultures within our school community. The timetable for Harmony Day is included below.

Every class will be involved in one session to design and paint a rock that reflects their identity. These rocks will be used to form an art installation that will celebrate our community. The Year 5/6 Cluster will be taking part in a Peace Workshop for one of their sessions. Year 1/2 have the opportunity to end their day with a Sport Clinic offered by Endeavour College. Other sessions are being planned to use and celebrate the Arts of different cultures. We are looking forward to a fantastic day of celebration!
