Parent Information Night Teacher– Wednesday 3 February 2021

Dear Parents and Caregivers,

It will be a pleasure to see you at our Parent Information Night on Wednesday, 3 February 2021. Each year the staff at Golden Grove Lutheran Primary School hold *Parent Information Sessions for Foundation to Year 6* parents to discuss the curriculum and classroom practices set down for the year in greater detail.

The Parent Information Night includes two parent information sessions and a whole school session.

With the COVID restrictions in place for schools, we would ask that one parent per family attends the relevant session, and for families to [preregister via the school's website](#):

The Night will commence with the first cluster information session at 6.30pm. In this session, you will be able to meet your child's teacher and they will be able to talk on a range of topics, including the curriculum and learning for the year, school expectations, the routines for the class, and for you to be able to discuss what will be happening in the classroom.

Teachers from each cluster will meet together with parents in one area:

Foundation - Foundation Classrooms

Year 1/2 - Worship Centre

Year 3/4 - Staffroom

Year 5/6 - 5/6 Classroom hub - 'The Hive'

A whole school session will be held in the Worship Centre at 7.00pm where we will talk about our plans for the year, provide a refresher on different ways that the school keeps in touch with our families and sends information out, and look at the 'Be You' program that we are relaunching for student wellbeing this year.

A second, identical cluster information session will run at 7.30pm to help parents with multiple children in our school to attend each cluster session for their children.

Please refer to the map enclosed overleaf for guidance as to the location of the relevant Information Sessions for your family.

It is appreciated if you can avoid bringing young children and toddlers into these sessions so that the presentations from teachers can be easily heard.

Please note that GGOSH will be available at these times (a gold coin donation would be appreciated). If you would like to book your child into GGOSH for this afternoon, please contact Mrs Vicki Kahl by Monday 1 February. If you have already booked your children into GGOSH in the afternoon, they will be able to stay after 6.00 pm without incurring extra cost – could you please inform GGOSH if you will take advantage of this. Please note GGOSH will not be supplying any food after, afternoon snack. If your child/ren requires any food after this time you are welcome to bring it along to GGOSH prior to the meetings. To access this service during the sessions, your child must be toilet trained.

I encourage you to make every effort to attend our Parent Information Night and look forward to seeing you over the course of the evening.

Kind Regards,

A handwritten signature in black ink, appearing to read 'W Wallace'.
