20 July 2021

Dear Parents and Caregivers,

As you would be aware the South Australian Premier, the Hon Steven Marshall, has announced that the State will enter a 7-day lockdown commencing at 6.00 pm tonight and run through to Tuesday 27 July.

Whilst we are waiting for more detailed advice from the SA Government, we have been advised that schools will move to remote learning over this period.

Tomorrow has been allocated as a pupil free day to prepare for remote learning with remote learning to commence from Thursday. Further information about remote learning will be sent home shortly.

It is recommended that schools remain open for students today, however, parents may choose to collect their children. Please phone ahead on 8282 6000 if you plan to collect your child(ren) early so that we can arrange for your child(ren) to meet you outside the front office.

As a school, we have set up a page on our website where we will post updates as they come to hand and will send an SMS to families with the weblink, as this page is refreshed with additional information as it develops.

Some further details as to possible limited supervision for vulnerable students and children of essential workers over the period of the lockdown will be provided shortly in a more detailed update.

Blessings  
Will

**William Wallace**  
Principal
