1. Mother's Day Stall Review

Profit made from the stall \$324, approximately 311 gifts were bought by the school.

Items that sold well: Massagers

Glitter Photo Frames

Animal figure planters

Feedback from 5/6 cluster was there were limited choices by the time they came to choose, as the last groups. Discussion around as these children can be more discerning than the younger children to have a discussion with the 5/6 cluster teachers about session times, particularly in view of the Father's Day Stall for term 3.

Things we can do better:

- Ensure that a physical flyer goes home as a visual reminder for parents and for those families where English is not their preferred language at home the children can show and explain the flyer rather than relying on electronic media.
- Reminders for parents to select gifts on QKR per child, rather than all gifts be allocated under one child's name. This can cause stress, confusion and upset the children on the day.

2. New Parent care packs

Kerri has put together the gift bags, which are located in the P&F cupboard in the rear corridor of the office. When a 'bag' is needed please take one and write in the card provided as appropriate i.e., a Christian sentiment.

Other suggestions to be added to these bags – notepad and pen/school pen

3. Meals for families in need

Discussion – meals for families to be provided at the time of the need rather than Class Carer's Cook Up when these meals may sit in the freezer for too long and no longer be viable to give a family.

As the need arises a call out can be made to the cluster group for assistance in providing meals. We are now okay to provide home cooked meals as per previous COVID-19 restrictions.

Additionally, dependent on the need of the family we have funds in the class carer's budget from fundraising to purchase meals/uber vouchers etc. where appropriate. These will be assessed on a case-by-case basis, please seek advice from Karen Tiller or Karen McKinnon before making these offers.

4. Teacher's Birthdays

Diane has bought birthday cards for the teachers and these are located in the P&F cupboard along with a gift to choose to go with the card for the children to sign and gift their teacher. Please make use of these where needed and advise if cards and/or gifts are getting low.
