Parent
Referral
Program

RECEIVE A REWARD OF $300!

At Golden Grove Lutheran School, we know the best and most trusted recommendations come from family or friends who share their positive experience of our school. That is why we are introducing our Parent Referral Program.

HOW DOES THE REFERRAL REWARD WORK?

When you personally refer friends or family with a primary school age child to Golden Grove Lutheran Primary School, you will receive a Referral Reward valued at $300!!
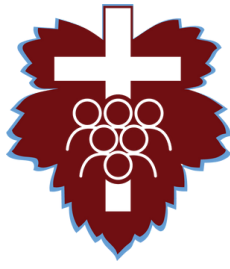

WHO IS ELIGIBLE?

All current Golden Grove Lutheran Primary School families are eligible to receive the Referral Reward.

HOW TO COLLECT REWARD?

Collect your GGLPS Referral Program Form from the School Office or download from www.goldengrove.sa.edu.au anytime. Complete your details, then pass the form to your family or friends to fill in and attach to their completed Application for Enrolment Form, or return to the School Office.

We look forward to welcoming your family or friends to our community, and we thankyou for your recommendations.

PARENT REFERRAL PROGRAM TERMS AND CONDITIONS

- The Parent Referral Program will only be applied as a discount to Golden Grove Lutheran Primary School tuition fees, and will not be paid in cash.

- The Parent Referral Program only applies to new families to Golden Grove Lutheran Primary School - they must not have any students currently enrolled at GGLPS.

- The discount is valued at $300 only.

- The discount will be applied to the fee account of the referring family, at the time of commencement of the new family.

- Withdrawal of students by new families will not result a reversal of discount against the referring family.

- In case of a split family, the reward will be applied to the account of the referee.

- The usual School process for Application for Enrolment, interviews and screening apply to all applications received, regardless of the submission of a Parent Referral Program Form.

- Golden Grove Lutheran Primary School reserves the right to restrict/cancel the Parent Referal Program and/or change the discount value at any time.
